N. Madhava Rao, Esq., B. A., B.L.,
Chief Secretary to the Government of Mysore,
Bangalore.

SIR.

I have the honour to state that on account of a large amount of printing work in connection with the Imperial Tables wh: had to be done since the beginning of last month, the Supervisor or some other official of the temporary establishment had to go to the Government Press frequently. The Office bicycle was made available on such occasions in the beginning; but after the 15th of last month as the journeys had to be made several times and the official had to stay in the Press for an hour or two at a time on many occasions this arrangement became inconvenient. I therefore permitted the hiring of a bicycle for press work at Rs.10/- per month with effect from the 16th March 1932. This arrangement has cost less than the hiring of a jutka or other conveyance. I request that sanction of Government may be obtained to the hiring of the bicycle in the above circumstances for a period of two months from 16th March 1932. The cost will be met from the provision for "Contingencies" in the budget of the Department for the current year.

I have the honour to be,

Sir,

Your most obedient servant,

M Venkatesa Iyengar

Census Superintendent.
